Personal Profile

I specialise in 2D background design. I am a recent graduate of BSc (hons) Digital Animation in TUS (LSAD) Clonmel, Tipperary. I am experienced with both working in teams and independent remote work. I adore everything related to background design and animation and I would love to work with other creative people to make 2D stories come to life.

Work Experience

Internship as 2D Generalist with Telescope Animation (Hamburg, Germany)

(June 2024 – August 2024)

- I created animations, concept art and character illustrations, I also learned how to use new software through team meetings. I primarily used the Adobe Suite software to create visually appealing graphics and concept art for "The Whale Singer" film and merchandise.

Freelance Work

(2020 – Present)

- I have been remotely contracted to work on website design for Telescope Animation's website and to create illustration work from October 2024 – June 2025.
- I have previously been commissioned to make artwork including digital illustrations, 2D assets and merchandising materials.

MG Interiors – Social media manager and graphic designer assistant

(May – September, 2018 - 2025)

- Assisted in managing social media accounts, including content creation, designing graphics and merchandise for promotional materials, scheduling and community management.
- Created engaging online visual displays to encourage sales, updated website assets such as photos and optimized graphics for faster load speeds.

Technical Skills

- Proficient skills in Adobe Photoshop / Illustrator / After Effects / Animate, Procreate, Visual Studio Code, Moho, Toon Boom Harmony and Canva. I learn software quickly and efficiently.
- I have familiarity with Google Sheets, Outlook, Microsoft Teams, Zoom and several other communication software's from remotely working for clients while freelancing.

- Strong multi-tasking abilities, organizational skills, and great attention to detail.

Education

Bachelor of Science (Honours) Digital Animation TUS (LSAD) Clonmel (2025)
